INDEX

This index covers volume 5 of *Isaac Asimov's Science Fiction Magazine,* January 1981—December 21, 1981. Entries are arranged alphabetically by author. When there is more than one entry for an author, listings are arranged chronologically in order of appearance in the magazine. All entries without a parenthetical note after them are stories. These notes are: (p) poem; (a) article; (r) review; and (l) limerick. Collaborations are listed under both authors, with cross references. When the author's name or title is omitted, it is the same as that of the previous story.
